# ACADIA

## Welcome

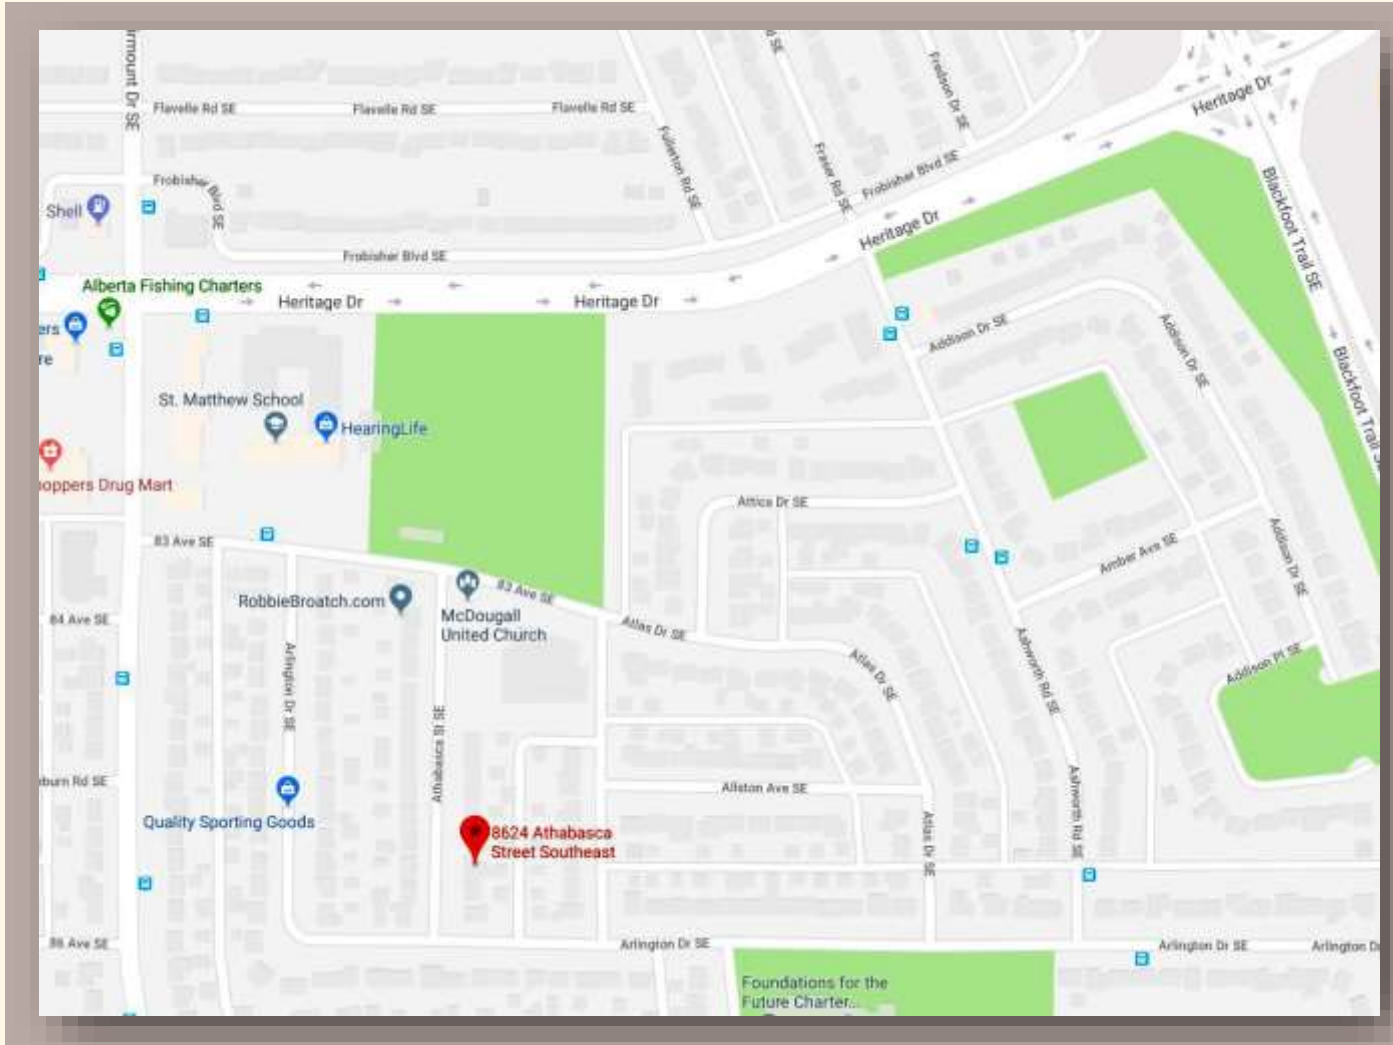

Originally from Edmonton, Mary grew up in a creative family and from an early age she was painting and drawing. She pursued art further while working and raising her family in Calgary.

Completely self taught she relied on her voracious reading appetite to fuel her inspiration. She was drawn to anything offbeat, quirky and bright. She loved pattern, textures and layers of colour. “GO BOLD OR GO HOME” was her moto!!!

As you will see from her home, she inspired a very broad eclectic style.

We look forward to seeing you at the sale!

## Mary Campbell Neu

Originally from Edmonton, I grew up in a creative family & from an early age was painting & drawing. I pursued art further while working & raising a family in Calgary. Currently my full energies are spent creating on an acreage near Okotoks.

I began painting with oils in the late 60's and, in the mid 80's discovered watercolour could give me the punch I was looking for, besides the varied format freed me to try unconventional subjects. As well as working in oils and watercolours, I enjoy pastels and papier mâché.

Completely self taught, I rely on my voracious reading appetite to fuel my inspiration. I am drawn to anything offbeat, quirky & bright. I love pattern, textures & layers of colour. "Go bold or go home!" is my motto. Eclectic subject matter whether it be a big floral or a funky portrait keeps painting fun and motivates me to expand my skills.
